

WEBINAR SERIES

The **Faith and Culture Network** is hosting a series of lunchtime webinars. These sessions are designed to raise awareness and share knowledge on how we can better support faith and culture within the Developmental Services sector.

STOP TALKING ABOUT SUPPORTING SPIRITUALITY. START DOING SOMETHING!

MAY 14, 2026 - 2:00 PM ET - 11:00 AM PT

Recent learning, honest questions, and practical ways to begin

Join members of a collaborative project team from The Centre for Civic Religious Literacy and partner organizations including posAbilities, Kinsight, BACI, and Curiko for a conversation about spirituality and wellbeing in the lives of persons with intellectual and developmental disabilities.

Together, we'll explore:

- why spirituality is too important to ignore
- what persons with IDD, families, and agencies are saying
- some of the questions, tensions, and old confusions that still need attention
- brave, creative, and practical ways to begin

This session shares emerging learning, invites reflection, and points toward further possibilities!
